1. INTRODUCTION

These guidelines are based on Regulation No EU (2013) 1295 of the European Parliament and of the Council of 20/12/2013 concerning the implementation of a programme of support for the European cultural and creative sector (CREATIVE EUROPE).¹

The European Commission is responsible for the implementation of the Creative Europe Programme and for the decision to grant individual European Union funds. The Education, Audiovisual and Culture Executive Agency hereafter "the Agency" manages the Culture and MEDIA Sub-programme on behalf and under the control of the European Commission.

General background information about the Creative Europe programme can be found on the following link:

<http://ec.europa.eu/creative-europe>.

2. OBJECTIVES - PRIORITIES

2.1 Objectives and priorities

Within the specific objective of promoting transnational circulation, one of the priorities of the MEDIA Sub-programme shall be the following:

- supporting theatrical distribution through transnational marketing, branding, distribution and exhibition of audiovisual works;

The MEDIA Sub-programme shall provide support for the following:

- establishing systems of support for the distribution of non-national European films through theatrical distribution and on all other platforms as well as for international sales activities, in particular the subtitling, dubbing and audio-description of audiovisual works.

2.2 Targeted Projects

The aim of the "Automatic scheme" is to encourage and support the wider transnational distribution of recent European films by providing funds to distributors, based upon their performance on the market, for further reinvestment in new non-national European films.

The scheme also aims to encourage the development of links between the production and distribution sectors thus improving the competitive position of non-national European films and the competitiveness of European companies.

The « Automatic scheme» works in two phases:

1. The generation of a potential fund, proportional to the number of paying admission tickets sold during the reference period for non-national European films in countries participating in the MEDIA Sub-programme, up to a fixed ceiling per film and adjusted for each country.
2. Reinvestment: the potential fund thus generated by each company must be reinvested in:
 - the co-production of non-national European films;

¹ published in the Official Journal of the European Union on the 20/12/2013 (OJ L347, pp 221).

- the acquisition of distribution rights, for example by means of minimum guarantees, of non- national European films; and/or in
- editing costs (prints, dubbing and subtitling), promotion costs and publicity costs for non- national European films.

3. TIMETABLE

3.1. Timetable for "Generation" Stage

	Stages	Date or indicative period
a)	Publication of the call	Decembre 2013
b)	Deadline for submitting applications	30 April 2014 - 12:00 (noon, Brussels Time)
c)	Evaluation period	7 months from deadline
d)	Notification letter	Dec 2014/Jan 2015

As the completion of the process requires the prior certification by the national authorities of the admissions, an additional delay may occur if this process is held up.

3.2. Timetable for "Reinvestment" Stage

Reinvestment applications must be sent to the Agency by **31st July 2015**

They will be treated on a "first come – first served" basis. The potential fund which is not reinvested by the deadline will be lost.

The table below details the timetable relevant to each module:

Module	Dates of the project	Deadline for presentation of the reinvestment project	Period of eligibility of costs
1.Co-production	The production contract will have to be signed at the earliest on 01/08/2014	within 3 months of the signature of the co-production contract and no later than 31/07/2015.	From 01/08/2014 until 31/01/2017
2.Minimum guarantee	The distribution contract will have to be signed at the earliest on 01/08/2014	Within 3 months of the signature of the contract/licence agreement (deal memo or long form agreement are both accepted) and no later than 31/07/2015.	From 01/08/2014 until 31/01/2017
3.P&A costs	The first theatrical release of the film in the country may take place at the earliest on 01/08/2014 and at the latest on 31/07/2016.	At the latest on the day of the first release of the film in the country and no later than 31/07/2015.	From 01/02/2014 until 31/07/2017

Only those costs incurred by the beneficiary during the period of eligibility of costs set out in the calls for proposals will be eligible.

However, if after the signing of the agreement and the start of the action it becomes impossible for the beneficiary, for fully justified reasons beyond his control, to complete the action within the scheduled period, an extension to the eligibility period may be granted. A maximum extension of 6 additional months may be granted if requested before the deadline specified in the agreement.

For reinvestment applications, the intention is to inform applicants of the outcome of the selection procedure no later than 16 weeks after the relevant submission date. In the event of any additional delay, applicants will be informed in writing by the Agency.

4. BUDGET AVAILABLE

The total budget available for the co-financing of projects is estimated at EUR 22,7 M for 2014.

The amount of the financial contribution to be awarded will be determined within the limits of the available budgetary resources and with regards to the cost and nature of each proposed action.

The Financial contribution of the EU cannot exceed 60% of the total eligible costs of the action.

The beneficiary must guarantee the remaining financing.

“Generation”: The total annual amount of potential funding available to each distributor shall be determined on the basis of the paid admissions to recent non-national European films achieved by the distributor during the reference year (2013).

In the case of “Reinvestment”, the amount of the financial contribution awarded to each company is determined with respect to the cost and nature of each proposed reinvestment action (production, distribution Minimum Guarantees and P&A costs) and the availability of the fund.

The Agency reserves the right not to distribute all the funds available.

5. ELIGIBILITY CRITERIA

Only applications which comply with the following criteria will be the subject of an in depth evaluation.

5.1 Formal criteria

In order to submit an electronic application, applicants must provide their Participant Identification Code (PIC) in the application form. The PIC can be obtained by registering the organisation in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal.²

The Participant Portal allows applicants, to upload or update the information related to their legal status and attach the requested legal and financial documents.

² The organisation has to register in the Unique Registration Facility (URF) hosted in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal. The Unique Registration Facility is a tool shared by other services of the European Commission. If the organisation already has a PIC that has been used for other programmes (for example the Research programmes), the same PIC is valid for the present call for proposals.

See the section on Registration in the Participant Portal for more information.

Only proposals submitted in one of the EU official languages, preferably in English or French, using the official application form, completed in full, signed (original signatures or equivalent required) and received by the specified deadline, will be considered.

The application form must be accompanied by all the documents referred to in the application form.

5.2 Eligible countries

The Agency may select proposals from applicants in non EU countries, provided that, on the date of the award decision, agreements have been signed setting out the arrangements for the participation of those countries in the programme established by the Regulation referred to above.

7. SELECTION CRITERIA

Applicant organisations must have stable and sufficient sources of funding (financial capacity) to maintain their activity throughout the period during which the action is being carried out or the year for which the grant is awarded and to participate in its funding. They must have the professional competencies and qualifications required to complete the proposed action (operational capacity).

Applicants must submit a declaration on their honour, completed and signed, attesting to their status as a legal person and to their financial and operational capacity to complete the proposed activities.

7.1. Operational Capacity

7.2. Financial Capacity

Applicants must have stable and sufficient sources of funding to maintain their activity throughout the period during which the action is being carried out or the year for which the grant is awarded and to participate in its funding. The applicants' financial capacity will be assessed on the basis of the following supporting documents to be submitted with the application:

- a) Low value grants (\leq EUR 60 000):
 - a declaration on their honour.
- b) Grants $>$ EUR 60 000:

- reject the application.

The required documents and forms should be provided at least once per year for the Cinema Selective and Cinema Automatic Schemes.

8. AWARD CRITERIA

8.1. Generation Stage

A potential fund will be attributed to eligible European distribution companies on the basis of the admissions achieved by the European non-national films distributed by the applicant in the reference year (2013).

The support will take the form of a potential fund (the “fund”) available to distributors for further investments in recent non-national European films.

Within the limit of the budgetary resources available, the potential fund available for each distributor will be calculated on the following basis:

- Eligible admissions generated by eligible non-national European films
- All admissions should be covered by the relevant national reporting and verification systems which enable the National Authority to certify them. The Agency reserves the right to reject applications where it is not satisfied that all of the conditions have been met.
- On the basis of the applicants declarations, and with the co-operation of the national correspondents designated by the Member States, the total number of eligible paid admissions per company per country per year shall be calculated according to the following formula :
 - all paid admissions for a single non-national European film shall be eligible up to a limit fixed per film and per country (see table below) ;
 - this limit can be reached in one or more years but in any case all paid admissions over the maximum threshold (see table below) for an individual film shall not be eligible.

Country of distribution	Maximum threshold (nr of admissions)
Germany, Spain, France, Italy	600.000
Austria, Belgium, Switzerland, The Netherlands, Poland, United Kingdom	200.000
Czech Republic, Denmark, Finland, Greece, Hungary, Norway, Portugal, Sweden	150.000
Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Estonia, Iceland, Ireland, Latvia, Lithuania, Luxemburg, Malta, Romania, Slovakia, Slovenia, and any other new country participating to the programme.	32.000

- The amount of the potential fund will be calculated by multiplying the number of eligible admissions by a fixed amount per admission. The following table summarizes the parameters used for the calculation:

Amount per eligible admission (in EUR)

Country of distribution	Nationality of the film (as per section 5.4)		
	France UK	Germany Spain Italy	Other eligible countries
Germany, Spain, France, Italy	0,40	0,50	0,70
Austria, Belgium, Switzerland, The Netherlands, Poland, UK	0,45	0,55	0,70
Czech Republic, Denmark, Finland, Greece, Hungary, Norway, Portugal, Sweden	0,50	0,60	0,70
Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Estonia, Iceland, Ireland, Latvia, Lithuania, Luxemburg, Malta, Romania, Slovakia, Slovenia, and any other new country participating to the programme.	0,55	0,65	0,70

The calculation includes 3 different thresholds in the number of admissions for which different percentages of the entries are applied:

The first admissions of a film (from the first release) up to the first threshold, will receive 150% of the initial amount fixed in above table, up to the second threshold the calculation will be done with 100% of the initial amount and then up to the maximum threshold admissions will receive only 35% of the initial amount.

Country of distribution	Number of admission thresholds		
	1 st threshold	2 nd threshold	Maximum threshold
	150%	100%	35%
Germany, Spain, France, Italy	75.000	300.000	600.000
Austria, Belgium, Switzerland, The Netherlands, Poland, United Kingdom	25.000	100.000	200.000
Czech Republic, Denmark, Finland, Greece, Hungary, Norway, Portugal, Sweden	18.000	75.000	150.000
Bosnia & Herzegovina, Bulgaria, Croatia, Cyprus, Estonia, Iceland, Ireland, Latvia, Lithuania, Luxemburg, Malta, Romania, Slovakia, Slovenia, and any other new country participating to the programme.	4.000	16.000	32.000

The amounts indicated above are provisional and may be subject to modification depending upon the budgetary resources available.

The potential fund will be calculated based upon a fixed amount per eligible entry. Shall the sum of generated funds exceed 24M€ under the call, each potential fund will be reduced proportionally. This reduction will not have the effect of lowering the amount of the potential fund below the minimum availability thresholds indicated below.

One of the principal objectives of the Automatic scheme is to have a significant effect upon the marketing of European films. Thus, and for reasons of efficiency, minimum availability thresholds have been defined. Availability threshold means that in the event that the fund in a given year does not reach the minimum threshold, the fund will not be available.

COUNTRY OF DISTRIBUTION	Availability Threshold of the potential fund (in EUR)
Germany, Spain, France, Italy	15.000
Austria, Belgium, Switzerland, The Netherlands, Poland, United Kingdom	7.500
Czech Republic, Denmark, Finland, Greece, Hungary, Norway, Portugal, Sweden	5.000
Bosnia & Herzegovina, Bulgaria, Croatia, Cyprus, Estonia, Iceland, Ireland, Latvia, Lithuania, Luxemburg, Malta, Romania, Slovakia, Slovenia, and any other new country participating to the programme.	2.500

Following the calculation of the potential fund, a notification letter will be sent by the Agency to the beneficiary. This letter will indicate the amount of the fund and the reinvestment criteria to meet to be able to use this fund.

The generation stage is a method to calculate a maximum potential fund to be reinvested in new projects depending upon the budget available. The notification to the distributors of the potential fund generated does not constitute a claim on the European Commission/Agency.

All other information supplied shall be treated as confidential.

8.2 Reinvestment Stage

The fund generated may only be used through reinvestment projects.

The fund can be reinvested:

- Module 1: Production of eligible non-national European films (i.e. films not yet completed at the date of application for reinvestment);
- Module 2: Minimum Distribution Guarantees for eligible non-national European films;
- Module 3: Distribution costs (i.e. P&A costs) for eligible non-national European films.

For reinvestment modules 1 and 2, applicants can be eligible for MEDIA Sub-programme selective scheme for the distribution of the same film.

Reinvestment in distribution costs (module 3) cannot be cumulated with a support under the MEDIA Sub-programme selective scheme for the same film. Applications for distribution costs may only be made to one scheme at a time. A second application for the same film will be ineligible, unless it is made after the applicant has been officially informed that the first application under the other scheme has been unsuccessful.

Reinvestment of the fund into completed projects (i.e. released films) is impossible. This applies to all modules.

Please note that these reinvestment projects will only be processed by the Agency after the letter informing the beneficiary of the amount of the potential fund has been sent. Reinvestment projects will be treated on the basis and within the limits of the fund generated by the distributor as calculated and notified by the Agency. Reinvestment projects must be approved by the Agency.

Combining funds generated by different reference years and under different calls into a single reinvestment project is not permitted, which means that the last request for a financial contribution to a reinvestment project will be limited to the balance of the current fund.

Reinvestment projects approved by the Agency will be the subject of an agreement between the beneficiary and the Agency setting out the terms and conditions of the financial contribution granted.

Amount of the financial contribution to a reinvestment project

The amount of the fund that may be requested for a given reinvestment project may not exceed a certain percentage of the total cost of the proposed reinvestment project, defined in the following table:

Maximum percentage of the reinvestment project's costs to be covered by the fund	Country of origin of the reinvestment film		
	FR - UK	DE, IT, ES	Other countries
Module 1 (co-production)	60 %	60 %	60 %
Module 2 (MG) Licence agreement signed before completion of the principal photography of the film	60 %	60 %	60 %
Module 2 (MG) Licence agreement signed after completion of the principal photography of the film	40 %	50 %	60 %
Module 3 (P&A)	50 %	50 %	60 %

Example:

<u>Reinvestment project :</u> Module 2 (MG), contract signed before completion of the principal photography of a UK film. Amount of MG: EUR 600.000	Maximum amount which can be covered by potential fund (60%): EUR 360.000
---	--

<u>Reinvestment project :</u> Module 3 (P&A) UK Film Distribution budget (P&A): EUR 60.000	Maximum amount which can be covered by potential fund (50%): EUR 30.000
---	---

<u>Reinvestment project :</u> Module 2 (MG) Date of completion of principal photography irrelevant Irish Film Amount of MG: EUR 100,000	Maximum amount which can be covered by potential fund (60%): EUR 60.000
---	---

A minimum level of support is imposed to ensure that it has an effect on the marketing of the film supported. In the case of module 2 only, these thresholds can be reached by consolidating 2 or more projects.

COUNTRY OF DISTRIBUTION	Minimum MEDIA support
Germany, Spain, France, Italy	8.000
Austria, Belgium, Switzerland, The Netherlands, Poland, United Kingdom	4.000
Czech Republic, Denmark, Finland, Greece, Hungary, Norway, Portugal, Sweden	2.000
Bosnia & Herzegovina, Bulgaria, Croatia, Cyprus, Estonia, Iceland, Ireland, Latvia, Lithuania, Luxemburg, Malta, Romania, Slovakia, Slovenia, and any other new country participating to the programme.	1.000

The minimum re-investment will have to be calculated on the basis of the above co-financing thresholds.

9. FINANCIAL CONDITIONS

An EU grant is an incentive to carry out activities that would not be possible without the support of the Union. It is based on the principle of co-financing. The EU grant supplements the applicant organisation's own financial involvement and/or any national, regional or private support it may have obtained.

Acceptance of an application by the Agency does not constitute an undertaking to award a grant equal to the amount requested by the beneficiary. Furthermore, under no circumstances may the amount awarded exceed the amount requested.

The awarding of a grant does not establish an entitlement for subsequent years.

The award of a potential fund does not constitute an undertaking to support the reinvestment projects.

Any support from the MEDIA Sub-programme shall remain the exclusive property of the beneficiary and cannot be considered as revenue for the film. There cannot be any contractual conditions or other agreements which change the terms and conditions of payments, calculations or any other contractual terms in any manner whatsoever which may have the effect of taking the Union grant into account. Distribution agreements cannot have any conditional clauses linked to the award of the subsidy. Union Law and the general conditions of any eventual Grant Agreement or Grant Decision offered to a distributor clearly lay down the fact that the European Union contribution (grant) "shall be used by the beneficiary solely, exclusively and directly in discharging eligible expenses incurred".

9.1 Contractual provisions and payment procedures

In the event of definitive approval by the Agency, a Grant Agreement/Decision, drawn up in euro and detailing the conditions and the level of funding will be sent to the beneficiary.

- In case of beneficiaries established outside the European Union: the 2 copies of the original agreement must be signed by the beneficiary and returned to the Agency immediately. The Agency will sign them last.
- In case of beneficiaries established within the European Union Member States: the Grant Decision must not be returned to the Agency. The general conditions applicable to the decision (General Conditions II.a) are available in the 'Documents register' of the Agency website: https://eacea.ec.europa.eu/about-eacea/document-register_en#calls

As regards grant decisions, beneficiaries understand that:

Submission of a grant application implies acceptance of these General Conditions. These General Conditions bind the beneficiary to whom the grant is awarded and shall constitute an annex to the Grant Decision."

Where an applicant has presented (and the Agency has approved) multiple projects within a single module (with an award equal to or less than EUR 60.000 per project), then a unique Grant Agreement/Decision covering these projects will be drawn up with a single consolidated duration, budget and eligibility period. The Grant Agreement/Decision will clearly identify the amount of the award for each reinvestment application and will require individual reports on the execution of same.

A pre-financing payment of 60% will be transferred to the beneficiary within 30 days:

- of notification of the grant decisions,
 - of the date when the last of the two parties signs the agreement (for grant agreements)
- and all the possible guarantees are received.

Pre-financing is intended to provide the beneficiary with a float.

The account or sub-account indicated by the beneficiary must make it possible to identify the funds transferred by the Agency.

The Agency will establish the amount of the final payment to be made to the beneficiary on the basis of the final reports.

9.2 Guarantee

In the event that the applicant's financial capacity is not satisfactory, a pre-financing guarantee for up to the same amount as the pre-financing may be requested in order to limit the financial risks linked to the pre-financing payment.

The financial guarantee, in euro, shall be provided by an approved bank or financial institution established in one of the Member State of the European Union. When the beneficiary is established in a third country, the authorising officer responsible may agree that a bank or financial institution established in that third country may provide the guarantee if he considers that the bank or financial institution offers equivalent security and characteristics as those offered by a bank or financial institution established in a Member State. Amounts blocked in bank accounts shall not be accepted as financial guarantees.

The guarantee may be replaced by a joint and several guarantees by a third party or by a joint guarantee of the beneficiaries of an action who are parties to the same grant agreement

The guarantee shall be released as the pre-financing is gradually cleared against interim payments or payments of balances to the beneficiary, in accordance with the conditions laid down in the grant agreement.

9.3 Double financing

Subsidised actions may not benefit from any other Union or Eurimages funding for the same activity. (Eurimages. i.e. European cinema support from the Council of Europe).

To ensure this, they must give details in their application form of any other grant requests other than those submitted to the MEDIA Sub-programme which they have submitted or intend to submit to the European Institutions or to Eurimages during the same budgetary year, stating in each case the budget heading, the European Union programme and the amount requested.

9.4 Funding method

9.4.1 Lump sum grant: Not applicable

9.4.2 Budget-based financing

✓ General provisions

Budget-based grants are calculated on the basis of a detailed estimated budget. The budget attached to the application form must be complete and in balance, i.e. total estimated expenditure must equal total revenue, including the requested MEDIA grant. The budget must indicate clearly the costs that are eligible for European Union funding. The European Union grant is limited to a maximum co-financing rate of 60% of the eligible costs.

The budget must be drawn up in Euro. Applicants not based in the euro zone must use the exchange rate published in the Official Journal of the European Union and applicable on the month of the reinvestment application. This exchange rate is available from the Creative Europe Desks and from the web site of the European Commission at <http://ec.europa.eu/budget/inforeuro/>).

Part of the total estimated eligible expenses must be financed from sources other than the Union grant. Applicants must indicate the sources and amounts of any other funding received or applied for in the same financial year for the implementation of the project or work programme concerned.

The allocated amount may not exceed the amount requested.

EU grants may not have the purpose or effect of producing a profit within the framework of the action of the beneficiary. **Profit shall be defined as a surplus of receipts over the eligible costs incurred by the beneficiary, when the request is made for payment of the balance.** In this respect, where a profit is made, the Agency shall be entitled to recover a percentage of the profit corresponding to the Union contribution to the eligible costs actually incurred by the beneficiary to carry out the action

✓ Eligible costs

Eligible costs of the action are costs actually incurred by the beneficiary, which meet the following criteria:

- they are incurred during the duration of the action as specified in the Grant Agreement/Decision, with the exception of costs relating to final reports and certificates on the action/action's financial statements and underlying accounts;
- they are connected with the subject of the Agreement/Decision and they are indicated in the estimated overall budget of the action;

- they are necessary for the implementation of the action which is the subject of the grant;
- they are identifiable and verifiable, in particular being recorded in the accounting records of the beneficiary and determined according to the applicable accounting standards of the country where the beneficiary is established and according to the usual cost-accounting practices of the beneficiary;
- they comply with the requirements of applicable tax and social legislation;
- they are reasonable, justified, and comply with the requirements of sound financial management, in particular regarding economy and efficiency;

The beneficiary's internal accounting and auditing procedures must permit direct reconciliation of the costs and revenue declared in respect of the action with the corresponding accounting statements and supporting documents.

The eligible direct costs for the action are those costs which, with due regard for the conditions of eligibility set out above, are identifiable as specific costs directly linked to the performance of the action or the work programme and which can therefore be booked to it directly. In particular, the following direct costs are eligible, provided that they satisfy the criteria set out in the previous paragraph:

Eligible costs for reinvestment in Module 1 (co-production)

Only those contributions linked to the investment of the distributor in the co-production and which are set out in the co-production contract signed with the producer and / or co-producer of the film will be eligible provided that they are paid within the eligible period.

The beneficiary must submit together with his certified financial (final) report a certified copy of the bank debit detailing the date of payment, the name of the recipient and the amount(s).

Eligible costs for reinvestment in Module 2 (MG)

Only the costs of the Minimum Guarantee set out in the distribution contract signed with the producer or sales agent of the film will be eligible provided that they are paid within the period of eligibility of costs.

It is common that distribution rights are acquired by distributors for multiple countries and that the amount of the Minimum Guarantee is defined for all these countries.

The Agency can only co-finance the Minimum Guarantee for the country of the distributor concerned. The amount of the eligible Minimum Guarantee will therefore be reduced following the methods established based on historical data and set out below. However, should a sub-licence deal have been previously concluded at a certain price, this amount may be taken into account, i.e. an actual contract amount would replace the guidelines percentages set out in this section, provided it has been disclosed in due time and approved by the Agency.

Countries	Division of the MG
Germany - Austria	- Germany: 90 % - Austria: 10 %
Belgium - Luxemburg	- Belgium: 97,5 % - Luxemburg: 2,5 %
BENELUX (Belgium - Netherlands - Luxemburg)	For French language films: - Belgium: 73% - Luxemburg: 2 % - Netherlands: 25 % For other films :

	- Belgium: 48 % (without LU: 50%) - Luxemburg: 2 % - Netherlands: 50 %
Greece - Cyprus	- Greece: 97,5 % - Cyprus: 2,5 %
United Kingdom - Ireland	- United Kingdom: 95 % - Ireland: 5 %
Scandinavia (Denmark - Finland - Iceland - Norway - Sweden)	- Sweden: 35 % - Norway: 30 % - Denmark: 25 % - Finland: 9 % (without Iceland: 10 %) - Iceland: 1 %
Czech Republic - Slovak Republic	- Czech Republic: 80 % - Slovak Republic: 20 %
Estonia - Latvia - Lithuania	- Estonia: 30 % - Latvia: 30 % - Lithuania: 40 %
Switzerland - Liechtenstein	- Switzerland: 99% - Liechtenstein: 1%

The other cases of multi-country acquisitions will be treated individually.
The decision of the Agency on the relevant deduction will be final.

Therefore the costs of this certification are the only costs eligible beyond the eligibility period.

3.4 All other Costs: A space is provided in the form for the disclosure of other costs directly linked to the action, which are not expressly provided for in the form. They have to be clearly identified and detailed in the application form and in the financial report for them to be eligible.

Costs normally associated with the running of the company are not eligible under this heading.

These "other costs" must not fall under costs listed under Section 9.6 - Ineligible costs.

Non deductible VAT is eligible unless it is related to activities of the public authorities in the Member States.

Eligible indirect costs (administrative costs)

A flat-rate amount, not exceeding 7% of the eligible direct distribution costs of the action is eligible under indirect costs, representing the beneficiary's general administrative costs which can be regarded as chargeable to the action (i.e. rent of company offices, insurance, maintenance costs, telecommunications, postal charges, heating, lighting, water, electricity, office supplies, rental of stands on markets and festivals).

Indirect costs may not include costs entered under another budget heading.

Indirect costs are not eligible where the beneficiary already receives an operating grant.

- return on capital,
- debt and debt service charges,
- provisions for losses or debts,
- interest owed,
- doubtful debts,
- exchange losses,

- contributions in kind
- excessive or reckless expenditure

- personnel costs
- travel and subsistence of staff
- purchase of equipment

✓ Calculation of the final award

The Agency will establish the final amount of the grant on the basis of the following documents:

- a final report providing details of the implementation and results of the action/work programme ;
- the final financial statement of costs actually incurred,

In case of "Module 3" grants for an action inferior to EUR 60.000, the beneficiary is required to submit, in support of the final payment, a copy of the following underlining documents:

- the invoices related to the budget item "Optical and Digital costs"

In cases of grants for an action between EUR 60.000 and EUR 750 000, the beneficiary is required to submit, in support of the final payment, a "Report of Factual Findings on the Final Financial Report - Type I" produced by an approved auditor or in case of public bodies, by a competent and independent public officer.

The procedure and the format to be followed by an approved auditor or in case of public bodies, by a competent and independent public officer, are detailed in the following "Guidance Notes":

http://eacea.ec.europa.eu/about/documents/guidance-notes-audit-type-i_11.2012_en.pdf

The use of the report format set by the "Guidance Notes" is compulsory.

In cases of grants for an action of EUR 750 000 or more, when the cumulative amounts of request for payment is at least EUR 325 000, the beneficiary is required to submit, in support of the final payment, a "Report of Factual Findings on the Final Financial Report - Type II" produced by an approved auditor or in case of public bodies, by a competent and independent public officer. The certificate shall certify, in accordance with a methodology approved by the Agency, that the costs declared by the beneficiary in the financial statements on which the request for payment is based are real, accurately recorded and eligible in accordance with the Grant Agreement/Decision.

The procedure and the format to be followed by an approved auditor or in case of public bodies, by a competent and independent public officer, are detailed in the following "Guidance Notes":

http://eacea.ec.europa.eu/about/documents/guidance-notes-audit-type-ii_11.2012_en.pdf

The use of the report format set by the "Guidance Notes" is compulsory.

The calculation of the final grant amount by the Agency is based on a detailed final financial statement of the beneficiary, accompanied by supporting documentation for the incurred expenditure. If the eligible costs actually incurred by the beneficiary are lower than anticipated, the Agency will apply the rate of co-financing stated in the Grant Agreement/Decision to the expenditure actually incurred. The Agency also reserves the right to reduce the amount of the grant if the organisation has not fully implemented the agreed project/work programme.

The Union grant may not have the purpose or effect of producing a profit for the beneficiary. Profit is defined as a surplus of receipts over costs. The amount of the grant will be reduced by the amount of any surplus.

Where applicable, the beneficiary will be required to reimburse any excess amounts paid by the Agency in the form of pre-financing.

10. SUB-CONTRACTING AND AWARD OF PROCUREMENT CONTRACT

Where the implementation of the action or the work programme requires the award of procurement contracts (implementation contracts), the beneficiary must award the contract to the bid offering best value for money or the lowest price (as appropriate), avoiding conflicts of interests and retain the documentation for the event of an audit.

Sub-contracting, i.e. the externalisation of specific tasks or activities which form part of the action/work programme as described in the proposal and which cannot be performed by the beneficiary itself must satisfy the conditions applicable to any implementation contract (as specified above) and in addition to them the following conditions:

- it may only cover the implementation of a limited part of the action;
- it must be justified having regard to the nature of the action and what is necessary for its implementation;
- it must be clearly stated in the proposal or prior written authorisation from the Agency must be obtained.

11. PUBLICITY, COMMUNICATION AND DISSEMINATION

11.1 Publicity

The beneficiary authorises the Agency to publish the following information in any form and medium, including via the Internet:

- the beneficiary's name and locality,
- the amount awarded
- the nature and purpose of the grant.

Upon a reasoned and duly substantiated request by the beneficiary, the Agency may agree to forgo such publicity, if disclosure of the information indicated above would threaten the safety of the beneficiaries or harm their business interests.

Beneficiaries must clearly acknowledge the European Union's contribution in all publications or in conjunction with activities for which the grant is used. The name and logo of the programme must appear on all publications, posters, programmes and other products created in relation to the co-financed action.

The Commission together with the Agency may identify good practices and prepare relevant dissemination materials to be shared within and across all participating countries and beyond.

Data and results from projects will be made freely available to be used by stakeholders, policy makers and others in a wide range of ways.

Beneficiaries may be required to attend and to participate in events organised by the European Commission or the Agency to share their experience with other participants and/or policy makers.
