## 1. INTRODUCTION – BACKGROUND

These guidelines are based on Regulation No 1295/2013 of the European Parliament and of the Council of 11/12/2013 concerning the implementation of a programme of support for the European cultural and creative sector (CREATIVE EUROPE)<sup>1</sup> and its corrigendum of 27/06/2014<sup>2</sup>.

The European Commission is responsible for the implementation of the Creative Europe Programme and for the decision to grant individual European Union funds. The Education, Audiovisual and Culture Executive Agency hereafter "the Agency" manages the Culture and MEDIA Sub-programme on behalf and under the supervision of the European Commission.

General background information about the Creative Europe programme can be found on the following link: <http://ec.europa.eu/programmes/creative-europe/>

## 2. OBJECTIVES – THEMES – PRIORITIES

### 2.1. Objectives

Within the specific objective of promoting transnational circulation, one of the priorities of the MEDIA Sub-programme is the following:

- supporting theatrical distribution through transnational marketing, branding, distribution and exhibition of audiovisual works;

The MEDIA Sub-programme shall provide support for the following:

- establishing systems of support for the distribution of non-national European films through theatrical distribution and on all other platforms as well as for international sales activities, in particular the subtitling, dubbing and audio-description of audiovisual works.

### 2.2. Targeted projects

The aim of the "Sales Agents" scheme is to encourage and support the wider transnational distribution of recent European films by providing funds to sales agents, based upon their performance on the market, for further reinvestment in new non-national European films.

The scheme also aims to encourage the development of links between the production and distribution sectors thus improving the competitive position of non-national European films and the competitiveness of European companies.

The "Sales Agents scheme" works in two phases:

1. The generation of a potential fund which will be calculated according to the performance of the company on the European market during the reference period.

<sup>1</sup> Published in the Official Journal of the European Union on 20/12/2013 (OJ L347/221).

<sup>2</sup> Published in the Official Journal of the European Union on 27/06/2014 (OJ L 189/260)

2. Reinvestment of the potential fund: the potential fund thus generated by each company must be reinvested in :

- minimum guarantees or advances paid for the international sales rights on eligible non-national European films (module 1);
- the promotion, marketing and advertising on the market of eligible non-national European films (module 2).

<b>3. TIMETABLE</b>
---------------------

### 3.1. Timetable for "Generation" Stage

	Stages	Date or indicative period
a)	Publication of the call	March 2017
b)	Deadline for submitting applications	<b>Friday 16<sup>th</sup> June 2017 - 12:00</b> (noon, Brussels Time)
c)	Evaluation period	7 months from deadline
d)	Information to applicants	January 2018
e)	Signature of grant agreement or notification of grant decision	See reinvestment stage
f)	Starting date of the action	See reinvestment stage
g)	Duration of the action	See reinvestment stage

As the completion of the process requires the prior completion of the Automatic Generation for the period (including the certification by the national authorities), an additional delay may occur if this process is held up.

### 3.2. Timetable for "Reinvestment" Stage

Reinvestment applications must be received to the Agency at the latest by **Wednesday 3<sup>rd</sup> October 2018** 12:00 (noon, Brussels Time).

They will be treated on a "first come – first served" basis. The potential fund which is not reinvested by the deadline will be lost.

- **Earliest start date of the action:**

The international sales contract/agreement with the producer can be signed at the earliest on **1<sup>st</sup> October 2017**.

- **Deadline for presentation of the reinvestment action:**

The reinvestment applications must be submitted to the Agency within 3 months of the signature of the international sales contract/agreement with the producer and no later than **3<sup>rd</sup> October 2018**.

- **Information to applicants and signature of the Grant Agreement / Decision:**

The intention is to inform applicants of the outcome of the selection procedure no later than 16 weeks after the relevant submission date. However for submissions sent prior to the completion of the generation, an additional delay may occur.

Reinvestment actions agreed by the Agency will be the subject of a Grant Agreement / Decision between the beneficiary and the Agency setting out the terms and conditions of the financial contribution granted.

- **Period of eligibility of costs:**

The period of eligibility of costs starts on the date of the signature of the international sales contract and ends 24 months after this date.

Only those costs incurred by the beneficiary during the period of eligibility of costs will be eligible.

However, if after the signing of the agreement and the start of the action it becomes impossible for the beneficiary, for fully justified reasons beyond his control, to complete the action within the scheduled period, an extension to the eligibility period may be granted. A maximum extension of 6 additional months may be granted if requested before the deadline specified in the agreement.

<b>4. BUDGET AVAILABLE</b>
----------------------------

The total budget earmarked for the co-financing of projects is estimated at EUR 2.6M.

The EU financial contribution cannot exceed 60% of the total eligible costs in the reinvestment stage "(the action)".

The amount of the financial contribution to be awarded will be determined within the limits of the available budgetary resources and with regards to the cost and nature of each proposed action.

The beneficiary must guarantee the remaining financing.

“Generation”: The total annual amount of potential funding available to each sales agent shall be determined on the basis of the recent European films sold by the sales agent in the reference period (2012-2016).

In the case of “Reinvestment”, the amount of the financial contribution awarded to each company is determined with respect to the cost and nature of each proposed reinvestment action (minimum guarantees and P&A costs) and the availability of the fund.

The Agency reserves the right not to distribute all the funds available.

## **5. ADMISSIBILITY REQUIREMENTS**

Applications shall comply with the following requirements:

- they must be received no later than the deadline for submitting applications referred to in section 3 of the present guidelines.
- they must be submitted using the online application form (see section 14 of the present guidelines)
- they must be drafted in one of the EU official languages, preferably in English or French

The application form must be accompanied by a balanced budget and all the other documents referred to in the application form. Failure to comply with those requirements will lead to the rejection of the application.

In order to submit an application, applicants must provide their Participant Identification Code (PIC) in the application form. The PIC can be obtained by registering the organisation in the Unique Registration Facility (URF) hosted in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal. The Unique Registration Facility is a tool shared by other services of the European Commission. If an applicant already has a PIC that has been used for other programmes (for example the Research programmes), the same PIC is valid for the present call for proposals.

The Participant Portal allows applicants, to upload or update the information related to their legal status and attach the requested legal and financial documents (see section 14.2 for more information).

Rejection from this procedure and administrative sanctions (exclusion or financial penalty) may be imposed on applicants or affiliated entities where applicable, if any of the declarations or information provided as a condition for participating in this procedure prove to be false.

The applicants should be informed that the Agency may publish on its internet site the following information related to the exclusion and, where applicable, the financial penalty in the cases referred to in points (c), (d), (e) and (f) of the section 7.1<sup>3</sup>:

- (c) the duration of the exclusion and/or the amount of the financial penalty.

In case of a preliminary classification in law (i.e. absence of a final judgment or a final administrative decision), the publication shall indicate that there is no final judgment or final administrative decision. In those cases, information about any appeals by the applicant, their status and their outcome, as well as any revised decision of the authorised officer, shall be published without delay. Where a financial penalty has been imposed, the publication shall also indicate whether that penalty has been paid.

The decision to publish the information is taken by the Agency either following the relevant final judgment, final administrative decision or preliminary classification in law, as the case may be. That decision shall take effect three months after its notification to the economic operator.

The information published shall be removed as soon as the exclusion has come to an end. In the case of a financial penalty, the publication shall be removed six months after payment of that penalty. ### **7.3. Supporting documents**

Applicants must sign a declaration on their honour certifying that they are not in one of the situations referred to in the above sections 7.1. and 7.2, filling in the relevant form attached to the application form accompanying the call for proposals. The declaration is available at: [http://eacea.ec.europa.eu/creative-europe/funding\\_en](http://eacea.ec.europa.eu/creative-europe/funding_en)

---

<sup>3</sup> This information shall not be published in any of the following circumstances:

- (a) where it is necessary to preserve the confidentiality of an investigation or of national judicial proceedings;
- (b) where publication would cause disproportionate damage to the applicant concerned or would otherwise be disproportionate on the basis of the proportionality criteria and to the amount of the financial penalty;
- (c) where a natural person is concerned, unless the publication of personal data is exceptionally justified, inter alia, by the seriousness of the conduct or its impact on the Union's financial interests. In such cases, the decision to publish the information shall duly take into consideration the right to privacy and other rights provided for in Regulation (EC) No 45/2001.

### **8.1. Financial capacity**

Applicants must have stable and sufficient sources of funding to maintain their activity throughout the period during which the action is being carried out or the year for which the grant is awarded and to participate in its funding. The applicants' financial capacity will be assessed on the basis of the following supporting documents to be submitted with the application:

- b) Grants  $>$  EUR 60 000:

The documents and forms required under section 8.1 and 8.2 should be provided at least once per year for the Cinema Selective, the Cinema Automatic and the Sales Agents schemes.

## 9. AWARD CRITERIA

### 9.1. Generation Stage

A potential fund will be attributed to eligible European sales agents on the basis of their performance on the European markets (i.e. countries participating in the MEDIA Sub-programme) in the reference period (2012-2016).

The support will take the form of a potential fund (the "Fund") available to sales agents for further investments in eligible non-national European films.

Within the limit of the budgetary resources available, the potential fund available for each Sales Agent will be calculated on the following basis:

#### A. Step 1.

The applicant sales agent shall provide evidence of its activity as a sales agent for European cinematographic films. To this end, the sales agent shall prove that:

- it was, between 01/01/2012 and 31/12/2016, the appointed sales agent of **at least 8 eligible European films (of which at least 1 non-national film)**, for which the agreement with the producer provided the right to sell the film in at least 10 countries participating in the MEDIA Sub-programme; the mandate must be signed and take effect within the reference period,
- **and** that, **during the same period**, for **at least 3 of these films in at least 3 countries** participating in the MEDIA Sub-programme, outside the country of origin of the films there was a theatrical release as evidenced by distributor declarations to the Automatic scheme of the MEDIA Sub-programme.

In exceptional circumstances where the national theatrical release has not been reported to the Automatic scheme, the declaration of the applicant sales agent may be accepted in the event that it is accompanied by independent proof which can reasonably be verified by the Agency.

If this first step is successfully completed, the sales agent shall be entitled to a potential support of **EUR 20.000,00**.

#### B. Step 2.

If (and only if) the applicant sales agent has completed successfully the conditions set out for the first step, an additional potential fund may be available. This fund will be calculated on the basis of **the total potential fund generated under the latest call of the Cinema Automatic scheme for theatrical distribution** by the non-national films:

- 20 % for films from countries with a high production capacity (DE, ES, FR, IT, UK);
- 30 % for films coming from other countries with a low production capacity;

The amounts indicated above are provisional and may be subject to modification depending upon the budgetary resources available.

Shall the sum of generated funds exceed 3M€ under the call, the potential fund generated under Step 2 will be reduced proportionally.

Following the calculation of the potential fund generated, the Agency will inform each beneficiary of the amount of potential Fund available for reinvestment.

The generation stage is a method to calculate a maximum potential fund to be reinvested in new projects depending upon the budget available. The notification to the sales agent of the potential Fund generated does not constitute a claim on the European Commission/Agency.

All other information supplied shall be treated as confidential.

## 9.2 Reinvestment Stage

The Fund generated may only be used through reinvestment projects.

The Fund can be reinvested in the meeting of:

Module 1: Minimum Sales Guarantees for eligible **non-national** European films

Module 2: Promotion and marketing costs for eligible **non-national** European films

Reinvestment projects will only be processed by the Agency after the letter informing the beneficiary of the amount of the potential fund has been sent. Reinvestment projects will be treated on the basis and within the limits of the fund generated by the sales agent as calculated and notified by the Agency. Reinvestment projects must be approved by the Agency.

The potential Fund can be reinvested in one or several films. Reinvestments in Module 1 (MG) and in Module 2 (promotion costs) for the same film are allowed.

Combining the funds generated by different reference years and under different calls into a single Reinvestment project is not permitted, which means that the last contribution request from a series of reinvestment projects will be limited to the balance of the current fund.

Reinvestment of the potential Fund into completed actions is impossible.

The award of a potential fund does not constitute an undertaking to support the reinvestment projects. Reinvestment projects approved by the Agency will be the subject of a grant agreement or grant decision setting out the terms and conditions of the financial contribution granted.

### Amount of the financial contribution to a reinvestment project

The amount of the fund that may be requested for a given reinvestment project may not exceed a certain percentage of the total cost of the proposed reinvestment project, defined in the following table:

Maximum percentage of the reinvestment project's costs to be covered by the fund	
Module 1 (MG) : Sales agreement signed before completion of the principal photography of the film	60 %
Module 1 (MG) : Sales agreement signed after completion of the principal photography of the film	50 %
Module 2 (P&A)	50 %

## 10. LEGAL COMMITMENTS

In the event of a grant awarded by the Agency, a grant agreement or a grant decision drawn up in euro and detailing the conditions and level of funding, will be sent to the beneficiary, as well as the procedure in view to formalise the obligations of the parties.

- Agreement (**in case of beneficiaries established outside the European Union**):  
the 2 copies of the original agreement must be signed first by the beneficiary and returned to the Agency immediately. The Agency will sign them last.
- Decision (**in case of beneficiaries established within the European Union**):  
the grant decision must not be returned to the Agency. The general conditions applicable to the decision are available in the 'Documents register' of the Agency website (Calls for proposals II.a) [https://eacea.ec.europa.eu/about-eacea/document-register\\_en](https://eacea.ec.europa.eu/about-eacea/document-register_en)

As regards grant decisions, beneficiaries understand that:

**Submission of a grant application implies acceptance of these General Conditions. These General Conditions bind the beneficiary to whom the grant is awarded and shall constitute an annex to the grant decision.**

Please note that the award of a grant does not establish an entitlement for subsequent years.

## 11. FINANCIAL PROVISIONS

### 11.1. General Principles

#### a) Non-cumulative award

An action may only receive one grant from the EU budget.

In no circumstances shall the same costs be financed twice by the Union budget. To ensure this, applicants shall indicate in the application form the sources and amounts of Union funding received or applied for the same action or part of the action or for its functioning during the same financial year as well as any other funding received or applied for the same action.

Subsidised actions may not benefit from Eurimages funding for the same activity (Eurimages. i.e. European cinema support from the Council of Europe).

b) Non-retroactivity

No grant may be awarded retrospectively for actions already completed.

A grant may be awarded for an action which has already begun only where the applicant can demonstrate the need to start the action before the grant agreement is signed or the grant decision is notified. In such cases, costs eligible for financing must be incurred during the period of eligibility set out in section 3.2.

c) Co-financing

Co-financing means that the resources which are necessary to carry out the action may not be entirely provided by the EU grant.

Co-financing of the action may take the form of:

- the beneficiary's own resources,
- income generated by the action,
- financial contributions from third parties.

d) Balanced budget

The estimated budget of the action is to be attached to the application form. It must have revenue and expenditure in balance, including the requested MEDIA grant.

The budget must be drawn up in euros.

Applicants which foresee that costs will not be incurred in euros shall use the exchange rate published on the Infor-euro website available at:

[http://ec.europa.eu/budget/contracts\\_grants/info\\_contracts/inforeuro/inforeuro\\_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm) and applicable on the month of the reinvestment application.

e) Implementation contracts/subcontracting

Where the implementation of the action requires the award of procurement contracts (implementation contracts), the beneficiary must award the contract to the bid offering best value for money or the lowest price (as appropriate), avoiding conflicts of interests and retain the documentation for the event of an audit.

Entities acting in their capacity of contracting authorities in the meaning of Directive 2014/24/EU<sup>4</sup> or contracting entities in the meaning of Directive 2014/25/EU<sup>5</sup> shall abide by the applicable national public procurement rules.

Sub-contracting, i.e. the externalisation of specific tasks or activities which form part of the action as described in the proposal and which cannot be performed by the beneficiary itself must satisfy the conditions applicable to any implementation contract (as specified above) and in addition to them the following conditions:

- it may only cover the implementation of a limited part of the action.

---

<sup>4</sup> Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on public procurement and repealing Directive 2004/18/EC.

<sup>5</sup> Directive 2014/25/EU of the European Parliament and of the Council of 26 February 2014 on procurement by entities operating in the water, energy, transport and postal services sectors and repealing Directive 2004/17/EC

- it must be justified having regard to the nature of the action and what is necessary for its implementation;
- it clearly results from the proposal.

f) Financial support to third parties

The applications may not envisage provision of financial support to third parties.

g) Special condition applying to the MEDIA Sub-programme

Any support from the MEDIA Sub-programme shall remain the exclusive property of the beneficiary and cannot be considered as revenue for the film. There cannot be any contractual conditions or other agreements which change the terms and conditions of payments, calculations or any other contractual terms in any manner whatsoever which may have the effect of taking the European Union grant into account. Distribution agreements cannot have any conditional clauses linked to the award of the subsidy. Union Law and the general conditions of any eventual grant agreement or grant decision offered to a distributor clearly lay down the fact that the European Union Contribution (grant) "shall be used by the Beneficiary solely, exclusively and directly in discharging eligible expenses incurred".

## **11.2 Funding forms**

The grants financed through reimbursement of eligible costs in combination with flat rate covering overheads are calculated on the basis of a detailed estimated budget, indicating clearly the costs that are eligible for EU funding.

➤ **Maximum amount requested**

The EU grant is limited to a co-financing rate of 50% or 60% of the eligible costs depending of the type of project (see table on section 9.2).

Consequently, part of the total eligible expenses entered in the estimated budget must be financed from sources other than the Union grant.

The grant amount may neither exceed the eligible costs nor the amount requested. Amounts are indicated in euros.

Acceptance of an application by the Executive Agency does not constitute an undertaking to award a grant equal to the amount requested by the beneficiary.

➤ **Eligible costs**

Eligible costs are costs actually incurred by the beneficiary of a grant which meet the following criteria:

- they are incurred during the duration of the action as specified in the grant agreement/decision, with the exception of costs relating to final reports and certificates.

The period of eligibility of costs starts on the date of the signature of the international sales contract and ends 24 months after this date. Only those costs incurred by the beneficiary during the period of eligibility of costs will be eligible;

- they are indicated in the estimated overall budget of the action;
- they are incurred in connexion with the action which is the subject of the grant and are necessary for the implementation of the action;
- they are identifiable and verifiable, in particular being recorded in the accounting records of the beneficiary and determined according to the applicable accounting standards of the country where the beneficiary is established and according to the usual cost-accounting practices of the beneficiary;
- they comply with the requirements of applicable tax and social legislation;
- they are reasonable, justified, and comply with the requirements of sound financial management, in particular regarding economy and efficiency.

The beneficiary's internal accounting and auditing procedures must permit direct reconciliation of the costs and revenues declared in respect of the action with the corresponding accounting statements and supporting documents.

#### Eligible direct costs:

The eligible direct costs for the action are those costs which, with due regard for the conditions of eligibility set out above, are identifiable as specific costs directly linked to the performance of the action and which can therefore be booked to it directly;

In particular, the following direct costs are eligible, provided that they satisfy the criteria set out in the previous paragraph;

#### Eligible costs for reinvestment in Module 1 (MG)

Only the costs of the Minimum Guarantee or Advance set out in the international sales contract/agreement signed between the sales agent and the producer of the film will be eligible.

A contract/agreement signed between a sales agent and a producer will be considered as an international sales contract/agreement only if it provides for the right of the sales agent to sell the film in at least 10 countries participating to the MEDIA Sub-programme.

#### Eligible costs for reinvestment in Module 2 (P&A Costs)

- ***Heading 1: Advertising and promotion costs***

- **1.1 Publicity Material:**

- Production of trailers/teaser; making of showreels/promoreels design, layout and printing of the posters; artwork, production of advertising spots for radio, TV and internet, flyers, postcards, design and layout of press advertising, etc.

- **1.2 Publicity Space:**

- purchase of advertising spaces (posters in markets / festivals, professional press)

**1.3 Promotion material:**

press files, organisation of market / festival screenings, organisation of press screenings, organisation of test-screenings or recruited audience screenings, production of an EPK (electronic press kit), DVD or Digital Beta for promotional purposes, travel and accommodation of the director / cast of the film for the promotion of the film, design and construction of a web site / homepage for the promotion of the film, etc.

- **Heading 2: Optical and digital costs**

**2.1 Optical Costs:**

This sub-heading includes the costs related to the optical manufacturing and circulation of the prints for the exploitation of the film in the cinemas: striking of an internegative and prints of the film, dubbing and subtitling the prints of the film, insurance, transport and taxes, prints maintenance.

**2.2 Digital Costs:**

This sub-heading includes all digital costs related to the production of DCPs, including delivery for the exploitation of the film in the cinemas, insurance and taxes.

**2.3 Dubbing and subtitling (including translation):**

All costs related to the dubbing and the subtitling of the film, including the translation costs.

- **Heading 3: Other Costs**

**3.1 Audit Fees:**

In the framework of the execution of an eventual financial support, the Agency requires the beneficiary to produce a statement of the final costs of the action. This document must be certified by an independent approved auditor external to the company on the basis of justifying documents and the accountancy records of the beneficiary. Therefore the costs of this certification are the only costs eligible beyond the eligibility period.

**3.2 All other Costs:**

A space is provided in the form for the disclosure of other costs, directly linked to the action which are not expressly provided for in the form. These "other costs" must not fall under costs listed under Chapter 9.6 'ineligible costs' and have to be clearly identified and detailed in the application form and in the financial report for them to be eligible.

Costs normally associated with the running of the company are not eligible under this heading.

Non deductible VAT is eligible unless it is related to activities of the public authorities in the Member States.

**Eligible indirect costs (administrative costs)**

A flat-rate amount, equal to 7% of the eligible direct distribution costs of the action is eligible under indirect costs, representing the beneficiary's general administrative costs which can be regarded as chargeable to the action (i.e. rent of company offices, insurance, maintenance costs, telecommunications, postal charges, heating, lighting, water, electricity, office supplies, rental of stands on markets and festivals).

Indirect costs may not include costs entered under another budget heading.

Applicants' attention is drawn to the fact that in the case of organisations receiving an operating grant, indirect costs are no longer eligible under the specific actions.

➤ **Ineligible costs**

The following costs shall not be considered eligible:

- return on capital;
- debt and debt service charges;
- provisions for losses or debts;
- interest owed;
- doubtful debts;
- exchange losses;
- costs of transfer from the Agency charged by the bank of the beneficiary;
- costs declared by the beneficiary and covered by another action receiving a European Union grant. In particular, indirect costs shall not be eligible under a grant for an action awarded to the beneficiary who already receives an operating grant financed from the Union budget during the period in question;
- contributions in kind
- excessive or reckless expenditure
- personnel costs
- travel and subsistence of staff
- purchase of equipment

➤ **Calculation of the final grant amount - Supporting documents**

The final amount of the grant to be awarded to the beneficiary is established after completion of the action, upon approval of the request for payment containing the following documents:

- a final report providing details of the implementation and results of the action;
- the final financial statement of costs actually incurred,

And

**- Option 1**

In case of grants for an action of less than or equal to EUR 60.000, the beneficiary is required to submit, in support of the final payment, a copy of the following underlying documents:

- Module 1: the invoices and a copy of the proofs of payments: bank debit statement(s) and where applicable, proofs of withholding tax payment(s) and proofs of compensation.

- Module 2: the invoices related to the budget item "Optical and Digital costs"

## - Option 2

In cases of grants for an action of more than EUR 60.000 and less than EUR 750 000, the beneficiary is required to submit, in support of the final payment, a “Report of Factual Findings on the Final Financial Report - Type I” produced by an approved auditor or in case of public bodies, by a competent and independent public officer.

The procedure and the format to be followed by an approved auditor or in case of public bodies, by a competent and independent public officer, are detailed in the following “Guidance Notes”:

[https://eacea.ec.europa.eu/sites/eacea-site/files/annex\\_iii\\_guidance\\_notes\\_audit\\_type\\_i\\_03-2014\\_en.pdf](https://eacea.ec.europa.eu/sites/eacea-site/files/annex_iii_guidance_notes_audit_type_i_03-2014_en.pdf)

The use of the report format set by the “Guidance Notes” is compulsory.

## - Option 3

In cases of grants for an action of EUR 750 000 or more, when the cumulative amounts of request for payment is at least EUR 325 000, the beneficiary is required to submit, in support of the final payment, a “Report of Factual Findings on the Final Financial Report - Type II” produced by an approved auditor or in case of public bodies, by a competent and independent public officer. The certificate shall certify, in accordance with a methodology approved by the Agency, that the costs declared by the beneficiary in the financial statements on which the request for payment is based are real, accurately recorded and eligible in accordance with the grant agreement or grant decision.

The procedure and the format to be followed by an approved auditor or in case of public bodies, by a competent and independent public officer, are detailed in the following “Guidance Notes”:

[https://eacea.ec.europa.eu/sites/eacea-site/files/annex\\_iv\\_guidance\\_notes\\_audit\\_type\\_ii\\_03-2014\\_en.pdf](https://eacea.ec.europa.eu/sites/eacea-site/files/annex_iv_guidance_notes_audit_type_ii_03-2014_en.pdf)

The use of the report format set by the “Guidance Notes” is compulsory.

The calculation of the final grant amount by the Agency is based on a detailed final financial statement of the beneficiary, accompanied by supporting documentation for the incurred expenditure.

If the eligible costs actually incurred by the beneficiary are lower than anticipated, the Agency will apply the rate of co-financing stated in the grant agreement/decision to the expenditure actually incurred. In the event of non-execution or clearly inadequate execution of an activity planned in the application attached to the funding decision/ agreement, the final grant will be reduced accordingly.

EU grants may not have the purpose or effect of producing a profit within the framework of the action of the beneficiary. **Profit shall be defined as a surplus of receipts over the eligible costs incurred by the beneficiary, when the request is made for payment of the balance.** In this respect, where a profit is made, the Agency shall be entitled to recover a percentage of the profit corresponding to the Union contribution to the eligible costs actually incurred by the beneficiary to carry out the action.

Where applicable, the beneficiary will be required to reimburse any excess amounts paid by the Agency in the form of pre-financing.

The verification of the non-profit does not apply to low value grants, i.e. ≤ EUR 60 000.

### 11.3. Payment arrangements

A pre-financing payment corresponding to 50% of the grant amount will be transferred to the beneficiary within 30 days either of the date when the last of the two parties signs the agreement, or of the notification of the grant decision, provided all requested guarantees have been received.

The Agency will establish the amount of the final payment to be made to the beneficiary on the basis of the calculation of the final grant amount (see section 11.2 above). If the total of earlier payments is higher than the final grant amount, the beneficiary will be required to reimburse the amount paid in excess by the Commission through a recovery order.

#### **11.4. Pre-financing guarantee**

In the event that the applicant's financial capacity is not satisfactory, a pre-financing guarantee for up to the same amount as the pre-financing may be requested in order to limit the financial risks linked to the pre-financing payment.

The financial guarantee, in euro, shall be provided by an approved bank or financial institution established in one of the Member States of the European Union. When the beneficiary is established in a third country, the authorising officer responsible may agree that a bank or financial institution established in that third country may provide the guarantee if he considers that the bank or financial institution offers equivalent security and characteristics as those offered by a bank or financial institution established in a Member State. Amounts blocked in bank accounts shall not be accepted as financial guarantees.

The guarantee may be replaced by a joint and several guarantee by a third party or by a joint guarantee of the beneficiaries of an action who are parties to the same grant agreement.

The guarantee shall be released as the pre-financing is gradually cleared against interim payments or payments of balances to the beneficiary, in accordance with the conditions laid down in the grant agreement/decision.

## **12. PUBLICITY**

### **12.1. By the beneficiaries**

Beneficiaries must clearly acknowledge the European Union's contribution in all publications or in conjunction with activities for which the grant is used.

In this respect, beneficiaries are required to give prominence to the name and logo of the MEDIA sub-programme on all their publications, posters, programmes and other products realised under the co-financed project.

To do this they must use the text, the logo and the disclaimer available at [https://eacea.ec.europa.eu/about-eacea/visual-identity\\_en](https://eacea.ec.europa.eu/about-eacea/visual-identity_en) which will be provided by the Agency.

If this requirement is not fully complied with, the beneficiary's grant may be reduced in accordance with the provisions of the grant agreement or grant decision.

### **12.2. By the Agency and/or the Commission**

With the exception of scholarships paid to natural persons and other direct support paid to natural persons in most need, all information relating to grants awarded in the course of a financial year shall be published on the Internet site of the European Union institutions no later than the 30 June of the year following the financial year in which the grants were awarded.

The Agency and/or the Commission will publish the following information:

- name of the beneficiary;
- locality of the beneficiary: address of the beneficiary when the latter is a legal person, region when the beneficiary is a natural person, as defined on NUTS 2 level<sup>6</sup> if he/she is domiciled within the EU or equivalent if domiciled outside EU,
- the amount awarded;
- nature and purpose of the grant.

Upon a reasoned and duly substantiated request by the beneficiary, the publication shall be waived if such disclosure risks threatening the rights and freedoms of individuals concerned as protected by the Charter of Fundamental Rights of the European Union or harm the commercial interests of the beneficiaries.

### **12.3 Communication and dissemination**

To maximise impact, projects should have a clear and strong strategy for communication and dissemination of their activities and results, and applicants must provide enough time and resources to communicate and interact appropriately with peers, audiences and local communities as appropriate.

The Commission together with the Agency may identify good practices and prepare relevant dissemination materials to be shared within and across all participating countries and beyond.

Data and results from projects will be made freely available to be used by stakeholders, policy makers and others in a wide range of ways.

Beneficiaries may be required to attend and to participate in events organised by the European Commission or the Agency to share their experience with other participants and/or policy makers.
